

## WISH LIST

Thank you for considering making a contribution to Medical City Children's Hospital. Your gifts of toys, supplies, handmade items, time and more can go a long way towards brightening a child's hospital stay! This wish list provides suggestions for items you or your organization can make or buy to donate to the young patients of Medical City Children's Hospital.

Donations received are utilized in our playroom, outpatient areas, and given to hospitalized children and their families. Our most common needs are in bold print. If you have questions about any of these suggestions or would like to know our greatest need at this time, please contact our child life department at 972-566-2879.

Donations may be left at the front desk with security ("The Ant Farm") located in Children's tower at Medical City Dallas. Please attach your name and address to your donation. Please remember:

- Due to infection control Medical City Children's Hospital is only able to accept **NEW** toys.
- Because many of our patients are on special diets we ask that you not include any candy or other food products in your donation.

Thank you again for thinking of our patients and families.

Sincerely,

The Child Life Team

\*Items in bold are in high necessity
